Wendywood High's 30th Anniversary & Heritage Day 2017

Dear Parents & Guardians,

This year something special is happening...

Wendywood High school turns a whopping 30 years old, from when it first opened its doors back then in 1987!

We are commemorating this special occasion by hosting a day of celebratory fun and cultural pride, seeing as it's Heritage month as well. So, to our faithful learners and parents/ guardians we urge you to partake in the festivities, please.

Date: Friday, the 29th of September 2017

Entrance fee: R10 pp at the gate.

Time: 8- 12pm.

Grades involved: Grade 8; 9; 10 and 11 only.

Theme/ Dress: The number '30/ THIRTY' or any South African cultural gear.

We will also be hosting an entrepreneurial initiative wherein each grade will be allocated an area in which to sell their homemade eats or cultural wares i.e. bracelets, necklaces, henna art, face painting, vetkoek, chakalaka, samoosa's, pap and wors etc. The list is endless!

Come on parents and guardians, we know some of you are MASTERchefs at home and DIY fundi's by nature! 😊

Whatever profit your child makes in his/her sale, is theirs to keep or share if it's a group effort.

Make sure your child carries a tablecloth & advertising material to boost their profit!

N.B. Bags will be searched for illegal substances and learners caught will be sent home immediately. Please ensure appropriate attire is used for the day. NO excessively revealing outfits will be allowed.

- Reports for Grades 8 to 11 will be issued from 11:45- 12:00pm in register classes.
- School will be dismissed at 12:00pm.
- Term 4 will commence on Monday, October 9th.

Blessed holidays and travels to all our learners, parents and staff over this period!
